Recent IPO Updates:

- Digilogic Systems IPO, the defence and aerospace engineering firm's IPO opens on January 20, 2026. The company seeks to raise approximately ₹81 cr to fund a new facility.
- Shadowfax Technologies, a logistics giant, is the major highlight of the mainboard. It aims to use the ₹1,907 cr proceeds for expansion. It is currently commanding a grey market premium (GMP) of approximately 12%.
- Bharat Coking Coal Listing (BCCL), the blockbuster Coal India subsidiary IPO, subscribed 147x, will list on January 19, with an expected 60%.

P.E. & Funding Updates:

- Indian startups saw a sharp rise in capital inflow last week, raising $269 mn across 25 deals. This marks a recovery from the slower start of the year.
- The Indian government announced a ₹10,000 cr allocation from the Startup Fund of Funds specifically for deep-tech innovation to celebrate a decade of the Startup India initiative.
- Ahead of its confidential IPO filing, Zepto raised $450 mn, valuing the company at $7 bn. The funds will bolster its balance sheet against rivals like Blinkit and Swiggy.
- Women's hygiene brand Pee Safe secured $32 mn in a round led by OrbiMed, reflecting strong investor interest in the specialized healthcare and wellness sectors.
- Fintech startup Wint Wealth raised ₹250 cr led by Vertex Ventures. The capital will be used to expand its corporate bond offerings and scale its tech platform.

Business & Economic Updates:

- SBI Mutual Fund offloaded shares worth ₹108 cr in gaming giant Nazara Technologies through a block deal, signalling a shift in institutional portfolio management for early-year rebalancing.
- At a roadshow in Kolkata, the Odisha government secured ₹1 trn in investment commitments. These projects, spanning renewable energy and IT, are expected to generate nearly 90,000 jobs..

- Minister M.B. Patil announced that Karnataka has bagged ₹1.53 trn in new proposals since its last Global Investors' Meet. Major contributors include Google, SAP and Toyota for diverse industrial projects.
- The Delhi government raised the annual income cap for ration cards to ₹1.2 lakh. This move aims to expand the food security net for thousands of low-income families.
- PM Modi is launching infrastructure projects worth ₹830 cr in Singur, West Bengal. Key initiatives include an inland water terminal and new rail lines to boost state growth.
- Financial Services Secretary M. Nagaraju urged LIC to prioritise digital marketing and mobile-first strategies. This aims to improve "insurance for all" and enhance the persistency of small-ticket policies.
- Authorities have tightened security at Prayagraj's Sangam Ghat for Mauni Amavasya. mns of devotees are expected to take a holy dip, requiring massive administrative and safety coordination.
- As the February 1st budget approaches, the government is expected to focus on fiscal discipline and infrastructure, targeting a deficit of 4.4% of GDP while maintaining high capital expenditure.
- A survey reveals 93% of global tech firms (including Google and Amazon) plan to expand their Indian headcounts in 2026, driven by rising U.S. H-1B costs and India's talent pool.
- A 2026 investment report highlights a major shift toward upscale living, with developers prioritising "experience-driven" luxury housing as middle-class and NRI buyers move away from basic affordability.
- A senior advisor to President Trump flagged Indian AI data centres as a potential target for policy action, questioning why Americans should subsidise electricity costs for global AI infrastructure.
- Ahead of the budget, markets remain in a "Goldilocks phase" of high growth and low inflation (CPI around 4.2%), though investors remain cautious about potential US-China trade war spillover effects.
- A report from Davos (WEF 2026) released today ranks cyber insecurity as the top strategic risk for India, surpassing the threat of conventional armed conflict for the first time.

Geopolitical Updates:

- India defended its decision to skip a recent naval exercise in South Africa. The Ministry of External Affairs clarified it was not an institutionalised BRICS activity, but a localised initiative.
- Army Chief General Upendra Dwivedi stated today that "Operation Sindoor" represents a strategic shift from reactive to proactive measures against cross-border terrorism, treating acts of terror as "acts of war."
